

Dear Pastor

My name is Natalie Miller and I am a full-time itinerant minister specialising in families and children. I have been a ventriloquist for 20 years and with my puppets, I present a message suitable for your whole congregation with lots of laughs, but with a great Gospel message weaved throughout.

My passion is to see whole families laughing, enjoying themselves while hearing the Gospel, what God wants for them and also being challenged in their faith.

I come from two generations of preachers – Grandad was full-time Methodist itinerant minister with the Open Air Campaigners (OAC). Dad was a Baptist pastor until my late teens running a church in Queensland and then Canberra.

I was inspired by a school teacher to become a ventriloquist when I was 11 and found it was my natural God-given gift (Dad said I could talk under wet cement!). I worked throughout my teenage years with my sidekick "sally" at children's birthday parties as well as serving at church, Sunday school, and other church activities. From there, I moved to working in the secular market for senior citizens in "cabaret" style shows, well known for the fact that I could make 500 grown ups laugh without being rude or inappropriate! In 2004 God called me to bring all the skills I had learnt throughout the years and go into ministry. I was signed to the Australian Christian Channel for my own children's TV show shortly afterwards and my show "Sally Squad" was born.

Since then I have toured churches full time throughout Australia, New Zealand (and even a short tour of the USA) speaking in family services, concerts, conferences and other special events. During the 3 ½ years in the ministry, thousands of children and adults have been saved during altar calls.

My husband and I and our three boys (age 6, 4 and our new baby due late November 2007) are members at Gateway City Church in Wollongong.

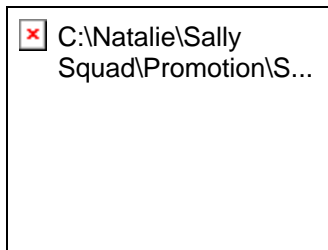

Attached are some flyers with more information about the ministry, a letter from my senior Pastor Scott Hanzy and some references from Pastors whose churches I have previously spoken at. If you'd like to know more, please don't hesitate to contact me at natalie@nataliemiller.com.au or 0411825542.

Children's Pastor

Saddleback Church, California USA

Natalie has a unique and innovative way of presenting the Gospel in a very clear and inviting manner, while engaging all ages in her conversations. Natalie's honesty and identification with the issues, feelings and challenges that we, as women, face today, is very refreshing, whilst "Sally" has the ability to go beyond what we would normally say, cutting right to the point of issues with the truth, through her humour and wittiness. I would highly recommend Natalie for her unique, creative and challenging presentation, that keeps all ages engaged and captivated by her ability to touch and speak deep into our everyday lives, using the principles of God's Word as her standard.
